### SHIP SECURITY ADVISORY NO. 10-18

**To: Regional Marine Safety Offices, Nautical Inspectors, Masters, Owners/Agents**

**Subject: CONDITIONS OF ENTRY FOR VESSELS ARRIVING AT UNITED STATES PORTS FROM CERTAIN COUNTRIES**

**Date: 22 October 2018**

This Advisory supersedes Ship Security Advisory No. 01-18.

The United States Coast Guard announced in a [Federal Register notice](#) that it will impose conditions of entry on vessels arriving from Iraq, with the exception of vessels arriving from several exempted port facilities.

The policy announced in this notice will become effective 26 October 2018.

The latest Port Security Advisory, [PSA 1-18](#), which includes a list of countries that do not maintain effective anti-terrorism measures and are subject to conditions of entry, can be found on the [International Port Security website](#).

Additional guidance relating to vessel security and areas where Republic of the Marshall Islands (RMI) registered vessels are either required or recommended to operate at a setting of Security Level 2 is posted on the [Maritime Security webpage](#). Vessel operators with questions regarding this guidance should contact the RMI Maritime Administrator (the "Administrator") via email to [shipsecurity@register-iri.com](mailto:shipsecurity@register-iri.com).

Please be reminded that all ships submitting an Advance Notice of Arrival with the United States are also required to copy the Administrator via email to [NOA@register-iri.com](mailto:NOA@register-iri.com).

This SSA expires one (1) year after its issuance, unless otherwise noted, extended, superseded or revoked.
